

# OSPREY NEWSLETTER

January 2018

## Changes at Osprey LC

John Jennison has joined us as General Manager to manage the centre on behalf of the Trust.

John brings many years of experience with him and is very pleased to join the team and the Portland community.

Also a huge thank you is well deserved for Aarron along with board members Rachel and Tony and all centre staff for their hard work during the interim period

## Did you know that Osprey Leisure Centre is run by a Charitable Trust?

We are a not for profit organisation which invests any profits back into the centre. We do not have shareholders and are working in the community for the community.

Charity number 1101711

Company number 3764270

## GREAT NEWS – NEW POOL FILTERS

Following a fundraising drive and with generous support from Weymouth & Portland Borough Council the Trust is pleased and a touch relieved to announce that we are now able to go ahead with the urgent and essential works needed to the pool filtration system. Without this work the filters would soon fail and the pool would have to close.

## IMPROVEMENTS TO THE CENTRE

Regulars will have seen many changes to the gyms – we thank you for your patience while the various bits of equipment have been moved around

The main gym is now upstairs and the heavy weights downstairs. Plans for the future include increasing the amount of equipment including a pulldown and cross-over unit and more weights and CV kit

Plans also include further development of the Boathouse. Here we already have a great spin programme and we now want to start introducing Boot Camp style classes
